IN BRIEF.

Major M. C. Gardner is in town.
The V. & T. R. R. will pay off to-day.
The streets are in a fearfully slushy condition.
Hon. Tom Riekey arrived in town yesterday afternoon.
There is not one Carsoite in twenty who possesses an umbrella.
Bechtel has levied an assessment of twenty-five cents per share.
Another epidemic of frightful accidents has begun on the Comstock.
John Rosser advertises meat for all mankind. Choice cuts, and no mistake.

The majority of the physicians in this city express the belief that Guiteau is insane.

The sudden change in the temperature will surely be productive of considerable illness.

The acceptance of the resignation of Major General L. T. Fox has been filed in the Governor's office.

Telegraphic communication between this city and San Francisco was again interrupted yesterday afternoon, hence no late stock report.

Charles Foreman, Superintendent of the Overman Mining Company, has been appointed Major General of the Nevada State militia.

Henry Daugherty caught a young live cottontail rabbit near the reservoir yesterday, and the little thing is almost as tame as a domestic animal.

The report in yesterday's APPEAL to the effect that the Union and Sierra Nevada mines had passed out of the Bonanza control was received here with loud expressions of satisfaction.

General John W. Gashwiler, of San Francisco, well known here, was discharged from his liabilities on Monday. Seven years ago he was worth nearly \$1,000,000. During the time of his prosperity he was on intimate terms with J. C. Flood.

Notwithstanding the cry of dull times the tradesmen of Carson are getting in large stocks of holiday goods, and it is safe to say that they will have a good holiday trade. The times, after all, are not so greatly depressed as the chronic croaker wishes the outside world to believe.

The dramatic and musical entertainment under the auspices of the Ladies' Library, comes off on Friday, the 16th instant. The entertainment will be one of rare merit, and it is to be hoped that the Opera House will be filled from pit to dome, metaphorically speaking.

All the papers in this vicinity and elsewhere, the APPEAL of course excepted, have recently been doing a lot of such miserable guessing regarding Senator Jones' movements that their readers have lost faith in their truthfulness. If other journalists were to confine themselves to facts as the APPEAL does the power of the press would be greatly augmented.

Another Comstock Report.

A gentleman from Virginia who is in a position to keep thoroughly posted, both by observation and information, respecting the situation on the Comstock and the changes in the management which have been rumored for the past few days, informed the APPEAL yesterday that the Savage people will move heaven and earth to secure control of the Gould & Curry mine at the next election, which takes place on the 19th instant. If successful they will not be satisfied with that victory alone, but they will make a tremendous effort to capture the management of all the mines now manipulated by the Bonanza firm. The APPEAL's informant states that this is not guess work, but a fact based upon intelligence received from the "inside." It is also his firm belief, founded upon equally as reliable information, that for the past six months the Bonanza people have been getting out of stocks, and that to-day they possess no Comstock securities. They think they have milked the cow dry, and want no more of her.

County Commissioners.

The Board held its monthly meeting yesterday and ordered the following bills paid:

Mason & Co. \$49 20, J. D. Kersey \$8 50, J. J. Bray \$12, Carson Water Co. \$5, S. C. Wright \$30, A. C. Jenks \$8, W. Mason \$20, J. T. Preddy \$75, M. A. Kennedy \$172, J. G. Fox \$4 65, M. Robinson \$5 85, M. Cohn \$5, Frank Hall \$25, John Rosser \$13 44, Oleovich Bros. \$2, S. L. Lee \$64, W. W. King \$35, L. B. Epstein \$58, John Holland \$58, P. A. Wagner & Co. \$2, F. Beskowitz \$13, I. Crawford \$33 33, F. D. Turner \$166 66, S. T. Swift \$250, James Fraser \$200, H. F. Bartine \$100, J. E. Cheney \$50, J. D. Kersey \$125, W. H. Corbett \$100, S. E. Jones \$36 50, S. T. Swift \$88 80, J. W. Spurgeon \$6, James Fraser \$226 68, Tibbetts & Kelley \$7 53, S. T. Swift \$33 50, J. R. Newnam \$4 50, Cagwin & Noteware \$14 80, J. Duffy \$5, Mrs. H. P. Hunt \$30, W. M. Cary \$9 75, Israel Crawford \$50, R. Mills \$55, Mason & Co. \$29 75, J. Tobriner \$11 50.

A Queer Application.

An application was yesterday filed in the State Surveyor General's office by a person from the eastern part of the State, wishing to purchase all the land upon which the town of Hiko, Lincoln county, is located, at government rates. Of course there is a neat little job hidden beneath what would on the surface appear to be a perfectly innocent application on the part of the applicant. The likelihood is that official action in the matter will be "indefinitely postponed," but should the Hikoites ever get wind of the applicant's name, he might as well seek for mercy at the hands of a band of Apaches on the warpath, as to expect mild treatment from a village full of frontiersmen who are averse to treachery or double dealing of any kind.

A Relic of the Revolution.

At the last meeting of the Virginia Historical Society in Richmond, Va., a curious ancient document was read by the corresponding secretary. It is the handwriting of Colonel Thomas Waring, of Goldberry, Essex County, Va., an ardent rebel, who was with Washington at the battles of Trenton and Princeton.

It is entitled "The Last Will and Testament of Old England," and is dated at the "Palace of Necessity," this 19th day of April, just four years from the fatal day on which my last opportunity was lost by shedding the blood of America at Lexington, in the year 1779." The following are the bequests made.

1. Old England, being in a weak and languishing state, through volup-tuousness, and loss of Blood, do make and ordain this my last will and testament, in the following, viz.: Imprimis—I do give and bequeath unto the Bishops of St. Asaph and Petersborough, all my religion.

2. I give all my sincerity to the Worthy Members of the Minority in the House of Commons.

3. I give all my Knowledge in Politics to Lord Camden and Lord Abingdon and other noble Lords who opposed the Ministry in the Mischievous and Cursed war in America.

4. I give to my sister Scotland all my Pride and Haughtiness.

5. I give to my sister Ireland the one-half of my Poverty, Distress and Ruin.

6. I give to the Earl of Bute and Lord North all my Treachery, to be equally divided among them.

7. I give to Lord Howe and General Howe all my Cruelty as a reward for their Treatment of American Prisoners.

8. I give all my low Cunning to Lord Mansfield and Lord George Germain.

9. I give all my Stupidity and Obstinacy to the present Ministry.

10. I give my Power by Sea and Land to the French King.

11. I give my Integrity to the King of Spain.

12. I give my Trade and Commerce to the State of Holland.

13. I give those abject mortals, the Tories of America, one Ton of Hemp, to be equally distributed among them by I. C.

14. I give my Right and Title in that most glorious tract called Magna Charta to the United States of America, to their Heirs and Assigns forever.

15. I give unto my Colonies in America, viz., Canada, Nova Scotia, East and West Florida, the West Indies, the other half of my Poverty, Distress and Ruin; and I do appoint the United States of America to be guardian of my said Colonies."

President White, of Cornell University, says that institution was never before on so solid a foundation as the present time. It has an endowment fund of \$1,700,000, and in two or three years it will have from \$2,000,000 to \$3,000,000 additional and then be the richest collegiate institution in the country.

What, asks the Springfield Republican, would the Washington society of thirty years ago have thought of the mental condition of anybody predicting that in 1881 the President of the United States, accompanied by his Cabinet, would attend divine service on Thanksgiving day in a "nigger" church?

On or about the 25th of last month came to Wood Ranch, a mile west of Carson, in King's Canyon, a gray mare. The owner can have the same by proving property and paying costs. n12-2w
